Dear Valued Community Partner,

On Saturday March 11, 2023, the San Diego CARE Partnership for Women, Children, Youth and Families is presenting the Annual HIV/AIDS Conference for Women. This conference, "A Woman's Voice," is being held in honor of the 15th annual National Women and Girls HIV/AIDS Awareness Day from 9am-2pm. The HIV epidemic continues to be a major health crisis in our community affecting increasing numbers of women. This conference will provide up to date treatment strategies as well as current information on HIV/AIDS in women.

With decreasing funding available at the federal, state and local levels, we turn to compassionate community partners such as yourself to help us in achieving our mission. Your involvement with our organization and our event would not only be very special to us, but would also attract patrons and let others know of your generosity and commitment to the local community. Last year's virtual conference was attended by over 200 women living with HIV and their medical and non-medical support networks. We are so excited to bring the event back in person at the beautiful Handlery Hotel in San Diego!

Your support would solidify our collaboration and your support for the clients and communities we serve. Christie's Place is serving as the conference's fiscal agent, so please direct donations and/or make checks payable to Christie's Place (2440 Third Avenue, San Diego, CA 92101), if applicable. Christie's Place is a 501c-3 organization and our Federal Tax ID # is 91-1878632.

Attached is a sponsorship form with a list of the benefits you will receive as one of our sponsors. To purchase a sponsorship you can visit **www.awomansvoice.info**. Feel free to contact me at rvanbrocklin@christiesplace.org if you have questions.

Warm regards,
